**Moozy up your skincare!**

**Hey Beautiful!**

Dear Beautiful You,

Thank you so much for choosing Moozy Beef Tallow Cream or Balm - your skin is going to love it! We created Moozy with one goal in mind: to give your skin the deep nourishment it deserves using time-honored best ingredients.

Beef tallow is rich in vitamins A, D, E, and K, along with skin-compatible fatty acids that help repair and protect. With Moozy, you're not just moisturizing-you're restoring balance and glow.

Let us guide you through a simple skin routine to help you get the most out of your Moozy!

With gratitude,  
The Moozy Team

## Your Moozy skin routine with balm – face & body

### 1. Cleanse Gently

Start with a gentle, non-drying cleanser. Avoid harsh soaps that strip your skin's natural oils.

### 2. Apply Moozy Balm (Face & Body)

While skin is still slightly damp, use the spatula to scoop a small amount of Moozy Balm. Warm it up between your fingers or Hands until it softens. Gently massage into your face or body using circular motions. A little goes a long way!

### 3. Nighttime Ritual (Optional but Magical)

For deep overnight hydration, apply a slightly thicker layer of Moozy Balm before bed. Wake up with a soft and nourished skin!

#### **Bonus Tip:**

Use Moozy Balm on dry hands, feet, elbows, or any rough patches. It works wonders!

## Tips for glowing results

### **Less is More**

Tallow is rich and concentrated. Start with a pea-sized amount and increase if needed.

### **Store Cool, Stay Fresh**

Keep Moozy in a cool, dry place. Natural formulas prefer the shade!

### **Patch Test First**

Every skin is unique. If you're new to tallow products, do a small patch test before full application.

### **Stay Hydrated**

Moozy locks in moisture, but healthy skin starts from within-drink plenty of water!
